2. Effective June 1, 2005, there were two changes to the Fee Sharing Program. DISA is no longer participating in fee sharing, but DLA is added as a new participant. Therefore, all references to DISA are hereby removed from paragraphs D.4.2 (Acquisition, Contracting, and Technical (ACT) Fee) section and replaced with DLA information. The following paragraph D.4.2 is hereby replaced as follows:

4.2 Acquisition, Contracting, and Technical (ACT) Fee. The cost of awarding, administering and managing this BPA is included in the prices charged to ordering activities. The ACT fee is 2%. Remittance of the ACT fee shall be made on a calendar quarterly basis (i.e. January - March, April - June, July - September, and October - December) or as otherwise requested by the Software Product Manager (SPM) and is due thirty (30) days following the completion of the reporting period. Negative reports are required. ACT fees that have not been paid within the prescribed thirty (30) days shall be considered a debt to the United States Government under the terms of FAR 32.6. The Government may exercise all its rights under the contract, including withholding or setting off payments and interest on the debt (see FAR 52.232-17, Interest). Failure of the Contractor to pay the ACT Fee in a timely manner may result in termination of the Contract.

The Army, Air Force, DLA and Navy are participating in a fee-sharing program. The contractor shall collect 2% ACT fee and distribute in accordance with the following procedures. Fee sharing shall be determined by the End User Agency of Service identified in the monthly Report of Sales. This field shall be notated Army, Air Force, DLA, Navy or DoD as appropriate. Do not issue fee checks until written approval is received for the Report of Sales.

3. This first paragraph under D.4.2 "ALL SALES" is changed to read as follows:

ALL SALES:

The 2% ACT fee is split equally between the DoD Component whose customer places the order and the DoD Component that manages the ESI agreement. In other words, any Army, Air Force or DLA order placed against an ESI agreement managed by the Navy results in a 1% portion of the 2% fee being returned to the component's acquisition organization that placed the order (see each component's sales information herein). The Navy will retain the entire 2% fee under orders issued for Navy activities or those activities that do not collect a fee under the ESI agreements managed by the Navy. The contractor is responsible for distributing the ACT fee to all applicable Services in accordance with the instructions herein. The amount of ACT Fee due the Financial Management Office (FMO) shall be calculated at 1% for Army sales, 1% for Air Force sales, 1% for DLA sales and 2% for all other sales.

4. Paragraph D.4.2 (Air Force Sales) is corrected to show that a copy of the check and letter shall be mailed or faxed to the following address:
